

A Day In Year 2

In Science, we have been learning about the five food groups. These are carbohydrates, proteins, fruit and veg, dairy, fats and sugars. We came up with actions to help us remember the food groups and how it affects our bodies. We also had to sort many food items into their correct food group.

In Maths we have been learning about graphs. We created a block diagram on how many aliens there are in each colour. We thought carefully about how to share the information.

In PE, we have been focusing on jumping and landing.

Attention All Parents!!

Volunteers

We are looking for **Parent Volunteers** to read with our children starting in **January 2025**

Join our **Nursery Stay & Play session**
Wednesdays
9:30 — 10:30 am
