Dear Parents/Carers,

Exciting News! In addition to our Spanish curriculum, we would like to offer our Year 5 children the opportunity to visit our partner school in Madrid, Spain, on a fully funded school trip.

The trip will run for five days from **Monday, 22nd May to Friday, 26th May 2023**. The children will be accompanied by four adults from the school. They will spend three mornings in our partner school, participating in Spanish lessons and seeing what life is like for Spanish children. In the afternoons, they will participate in cultural activities.

They will be staying in a hotel in Madrid, and will travel to the Spanish school every day by train. The children will be immersed in Spanish life and will have many opportunities to practise the Spanish language they have been learning in school. The trip is fully funded and is an exciting opportunity for our children to travel abroad.

If you would like your child to take part in this amazing event, please **complete and return** the form by **Monday, 23rd January 2023**.

Please note, that your child will require a valid passport. (You can still apply for a passport if needed)

Kind Regards,

René Africa
