

# Year 1 Curriculum Map – Autumn Term 1

## Literacy

This term we will be reading 'The Wild Things'. The children will be developing their literacy skills through a range of activities relating to the story. The children will learn how to sequence events from the story, write simple character descriptions, develop comprehension skills and use drama and role play to help them write a postcard in the character of Max. We will also be completing a unit of work on poetry, where the children will be reading a range of new poems and putting their performance skills to the test!

## Maths

In maths the children will continue to follow Maths Mastery to develop their mathematical skills. This term the children will be learning:

- Represent, compare and explore numbers within 10.
- Represent and explain addition and subtraction within 10.
- Identify, describe, sort and classify 2-D and 3-D shapes.
- Investigate repeating patterns.
- Use and follow instructional and positional language.

## Science- Everyday Materials

- To identify and sort a variety of common everyday materials.
- To compare a variety of everyday materials.
- To be able to distinguish between an object and a material.
- To be able to describe materials according to their properties.
