

Pupil Premium Grant (PPG) Expenditure Report 2020 -2021(Academic Year)

Pupil premium allocation 2019- 2020

Pupil Premium is allocated to children from low-income families who are currently known to be eligible for Free School Meals (FSM). At St John of Jerusalem, we have a clear philosophy that we must provide children with opportunities that they may not have access to.

Below is a table showing the amount awarded to the school in 2020- 2021 financial year:

Total number of pupils on roll	164
Number of Pupils funded for PPG	82
Amount of PPG received per pupil.	£1,345
Total Amount of PPG received	£110,290

1. Barriers to future attainment (for pupils eligible for PP)	
Academic barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)	
A.	Limited Speech and language on entry to school
B.	Fewer language skills and reading development
C.	Lack of resilience /mental health issues / attachment issues experienced by some PP children
Additional barriers (<i>including issues which also require action outside school, such as low attendance rates</i>)	
D.	Low attendance rates for some PP families
2. Intended outcomes (<i>specific outcomes and how they will be measured</i>)	
	Family challenges and lack of enrichment experiences
Higher rates of rapid progress across the school for PP children	Ensure PP children are making same or better rate of progress as non PP children in each class
Development of resilience and increased mental health	Identified children able to fully access the curriculum and feel happy and safe in school
More stable family backgrounds	Minimised effect from families needing Social Services / CP support. Children make good or better progress in their learning
High attendance rates for PP children	Reduce persistent absence

Spending of PPG Funding

Intended Outcomes	Item / initiative	cost	Aims of Spending	Impact
A. Higher rates of rapid progress across the school for PP children	Early Reading interventions One to one Phonics/ Supported Reading	£5,000	Improve Language development in EYFS. Boost attainment in the phonics screening test at year 1 and ensure pupils resitting the test in year 2 achieve the expected level and above	Focused S&L interventions had a positive impact on the pupils use of language in EYFS. Through regular phonics booster sessions in addition to focused teaching ... of year two PPG pupils passed the phonics screening test in Autumn 2021.
A. Higher rates of rapid progress across the school for PP children	TA Specialist Support Small group and 1-2-1 Tuition Interventions To support Pupil Premium pupils with different interventions (Supported Reading and Reading Recovery, Phonics intervention, Catch-Up Maths), and to provide pastoral support with challenging behaviour and barriers to learning.	£25,000	Catch up and Boost attainment of underachieving pupils across the school, including children in year six working below age expected targets and those who were exceeding at KS1, equipping them with the skills to exceed, through true mastery, depth and breadth within the National Standard expected. Boost attainment of children in year 2, so that the majority of pupils are working at or above national standards.	PPG Pupils showed increased confidence in completing tasks, and in-school data shows that they achieved good results at the end of year assessments. Pupils with gaps in their learning due to school closures have made rapid progress, and gaps in their learning have decreased significantly. Pupils have settled back into the school routine, and behaviour is exemplary.
A. Higher rates of rapid progress across the school for PP children	Speech and Language support In School and bought in services	£18,000	To support pupils coming into school as well as other pupils with Speech and Language difficulties	Improvements in the outcomes for pupils with speech and language issues across the school
