

Year 5

Year 5 had a fantastic Spring Half Term. In Science, we have been learning about Living Things and their Habitats.

We have been observing tiny caterpillars transform through metamorphosis into nearly becoming.. BUTTERFLIES!! Our investigation of the life cycle of a butterfly is at the pupae (chrysalis) stage. It is still growing, but will eventually, shed the barrier and emerge as a fully grown, beautiful butterfly!

In Art & DT, we have used our geography knowledge about mountains.

We have designed 3D models of different types of mountains, such as, fold, volcanic, dome and plateau mountains.

In our next lesson, we will paint and create the landscape around our mountains.

Finally, a huge thank you to Samia (Trainee Teacher) for all the fantastic lessons and support she has given to Year 5. Good luck in your next school placement!

School Twitter Page

Please check our school twitter feed, to stay up-to-date with all our school events and activities!
Invite your friends and family to follow us on Twitter too!

Year 4 Class Assembly

The children in Year 4 were able to showcase their learning, by confidently delivering an exceptional class assembly based on Ancient Greece.

The children demonstrated excellent performance skills whilst sharing a wealth of knowledge about life in Ancient Greece and Greek Mythology.

MENTAL HEALTH AND WELL BEING

Encouraging Positive Behaviour

Generally children like and need attention, and will work for attention from others – this includes negative attention (e.g. criticism, shouting).

TOP TIP: look out for times when your child is engaging in behaviour that you want to see more of (e.g. playing nicely, being kind to their sibling, completing school work, demonstrating confidence) and offer praise for this to see more of it.

Some of your child's behaviours might not be ideal (e.g. whining, minor squabbling, pulling a face). Giving these behaviours attention might make them worse, so it's best to ignore them (unless the behaviour is dangerous or abusive). Remember to pick your battles!

STRIKE WHEN THE IRON IS COLD

Talk to your child about their behaviour only when they are calm.

Avoid criticism in order to encourage them to talk about what happened - explain that it is the action and not them you are unhappy with.

**Weekly Class
Attendance Award
Well done to...**

**Year 1—95.00%
Year 5—98.89%**

March

*Fun Facts about Spring
Flowers..*

**Did you know...
Traditional Spring
flowers like tulips,
daffodils and crocuses
begin blooming by the
end of March.**

Spring Term - PE Timetable
