

YEAR FOUR AND FIVE CLASS

To finalise the Black History Month celebrations, Y4 and Y5 visited Hackney Museum. We had an awesome time looking at the history of Carnival. All pupils participated in dance, Art and History workshops. Well done for your excellent behaviour!

Y5 have been learning about Forces in Science. We have been completing investigations to observe if objects of different sizes and mass fall to the ground at the same time! We really enjoyed making predictions and seeing if they were correct.

All children must wear their full school uniform at all times:

Problem Solving Corner!

Have a go at solving these with your adults.

1
You can find me in Mercury, Earth, Mars, Jupiter, and Saturn, but not Venus or Neptune. What am I?

2
You can hold me close to your heart without using your hands or your arms. What am I?

3
I travel the world, yet never leave the corner. What am I?

4
They say that I'm golden, but that if you so much as whisper my name, I disappear. What am I?

Are you aged 13 - 18?

Are you from mixed African-Caribbean background?

Growing Minds invites you to a 6-week workshop series on mixed-race identity.

The workshops will be dedicated to exploring the joys, experiences, and challenges of being mixed race.

You will be in a safe and supportive environment with other young people where you can celebrate your uniqueness through creative workshops, meet new people, share your experiences and hear those of others.

Come and join us, we'd love to have you there!
